A modern hotel room with a bed, sofa, and desk. The room features a large bed with white linens and a green pillow, a grey sofa with colorful pillows, a small round table with a laptop, and a large window with beige curtains. A large mirror on the right wall reflects the room. The lighting is warm and modern, with a pendant lamp and recessed ceiling lights.

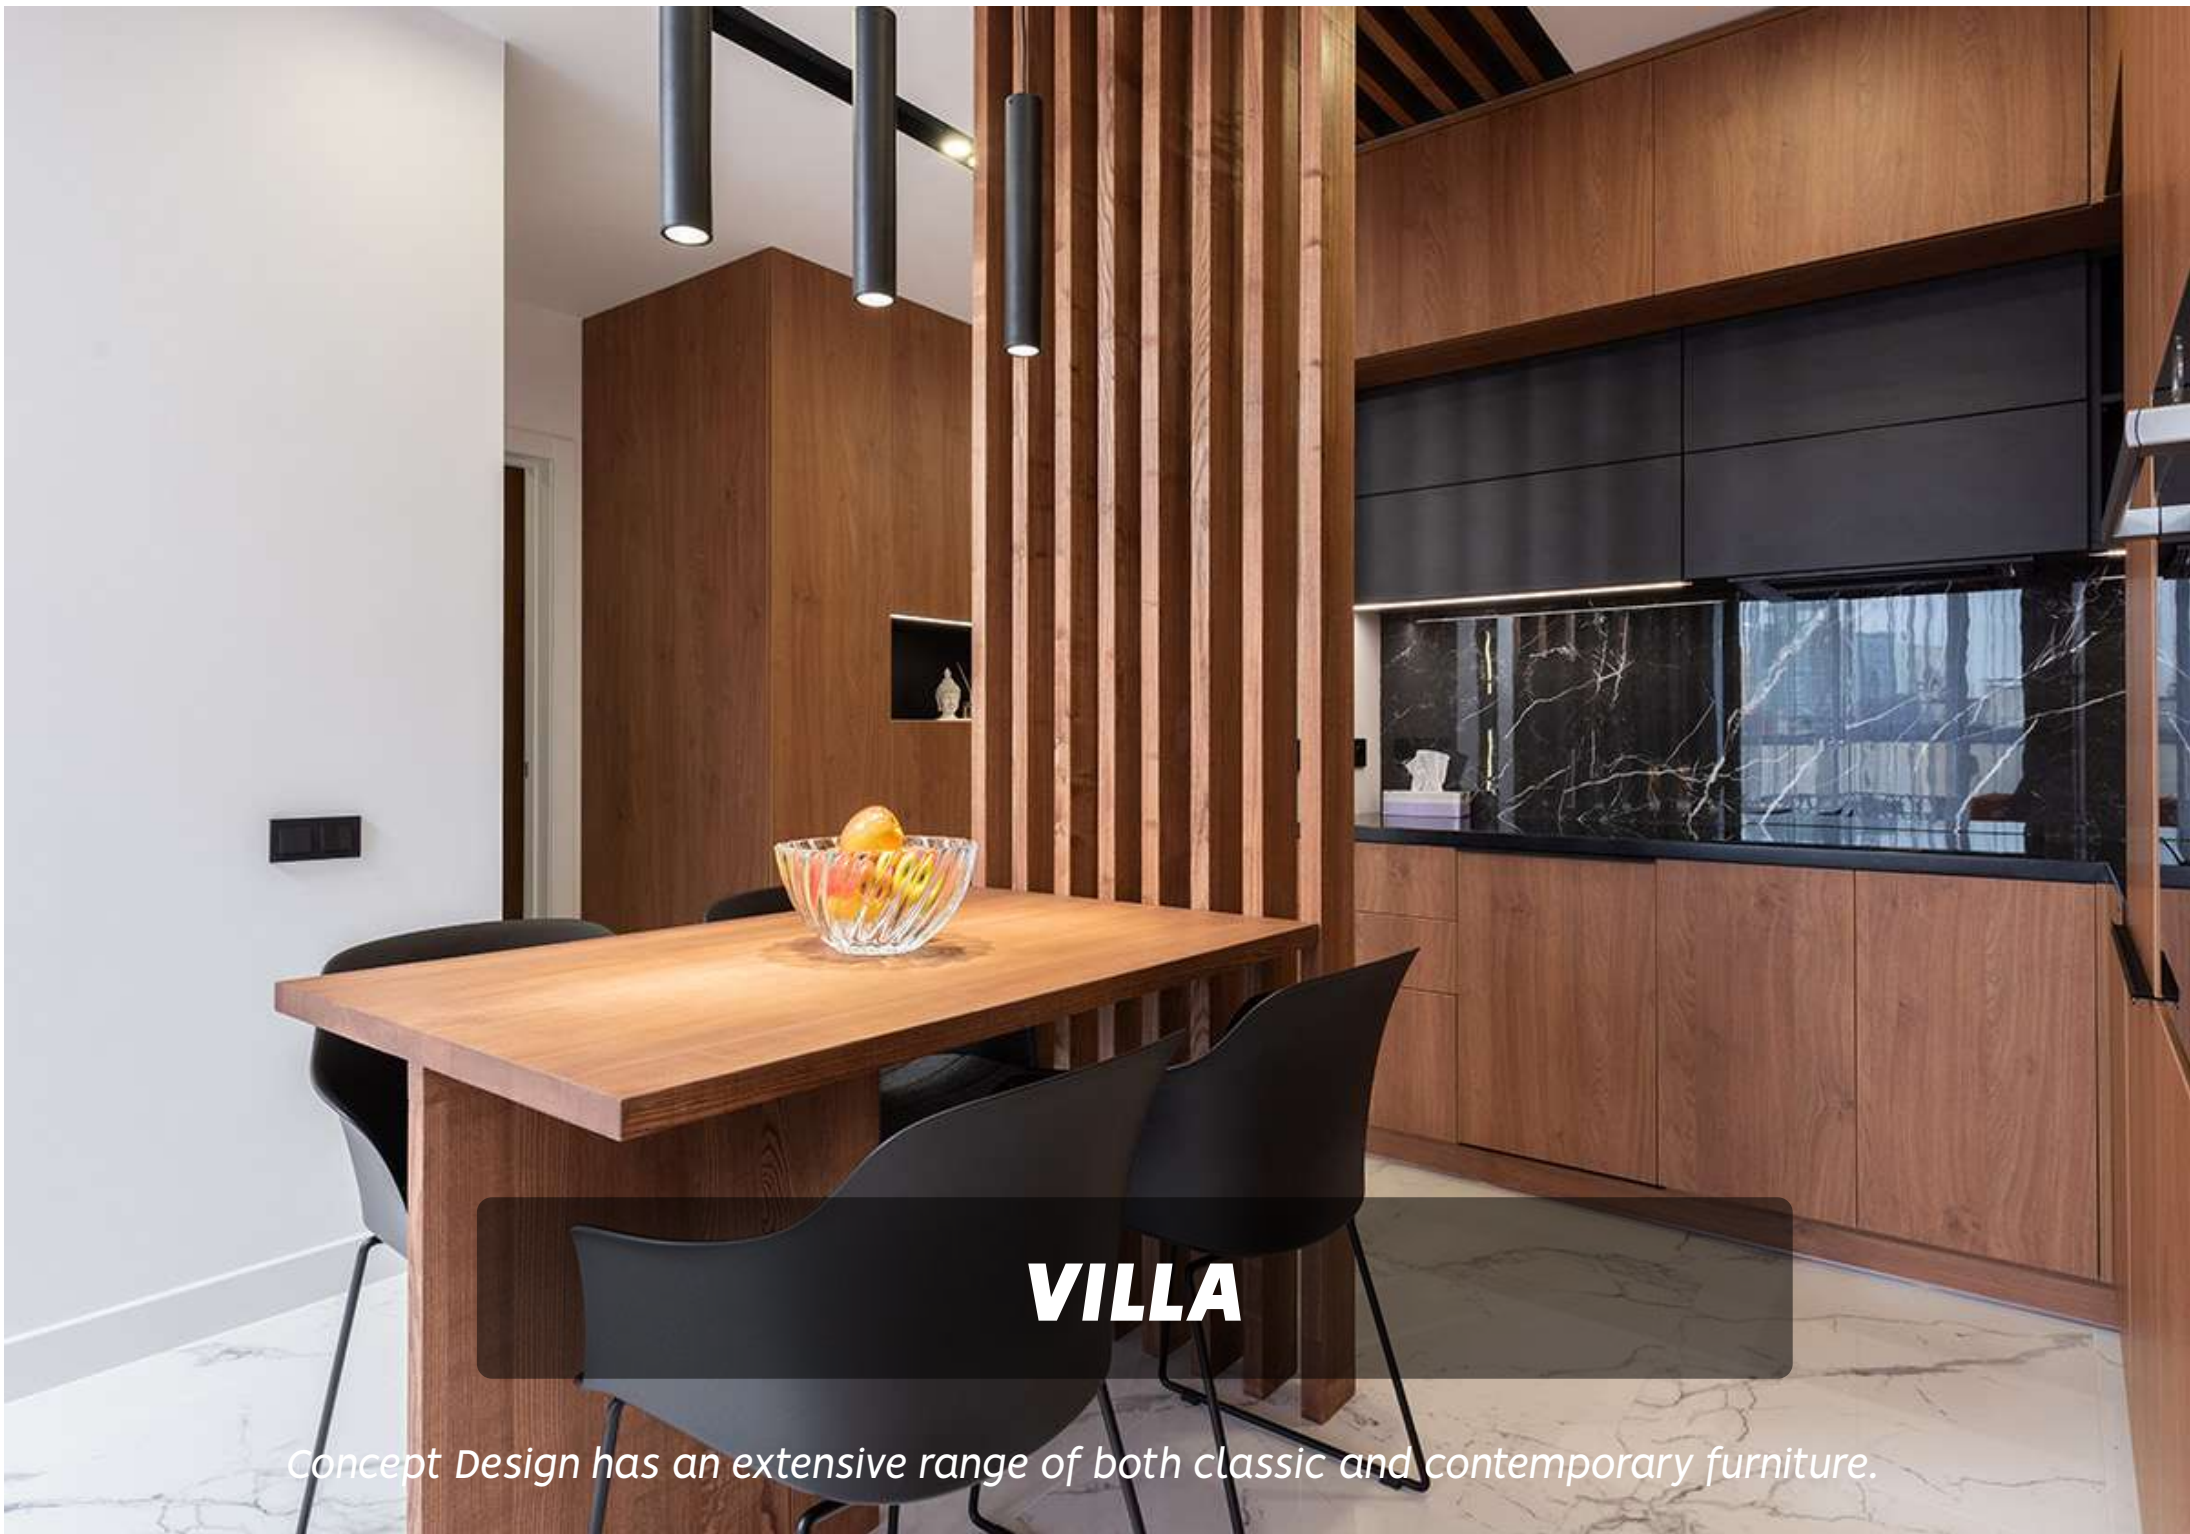

HOTEL & RESORT

We manufacture beautiful, high quality furniture for hotel groups, branded hotels and small independents alike.

RESIDENCE

Broad range of residence furniture...

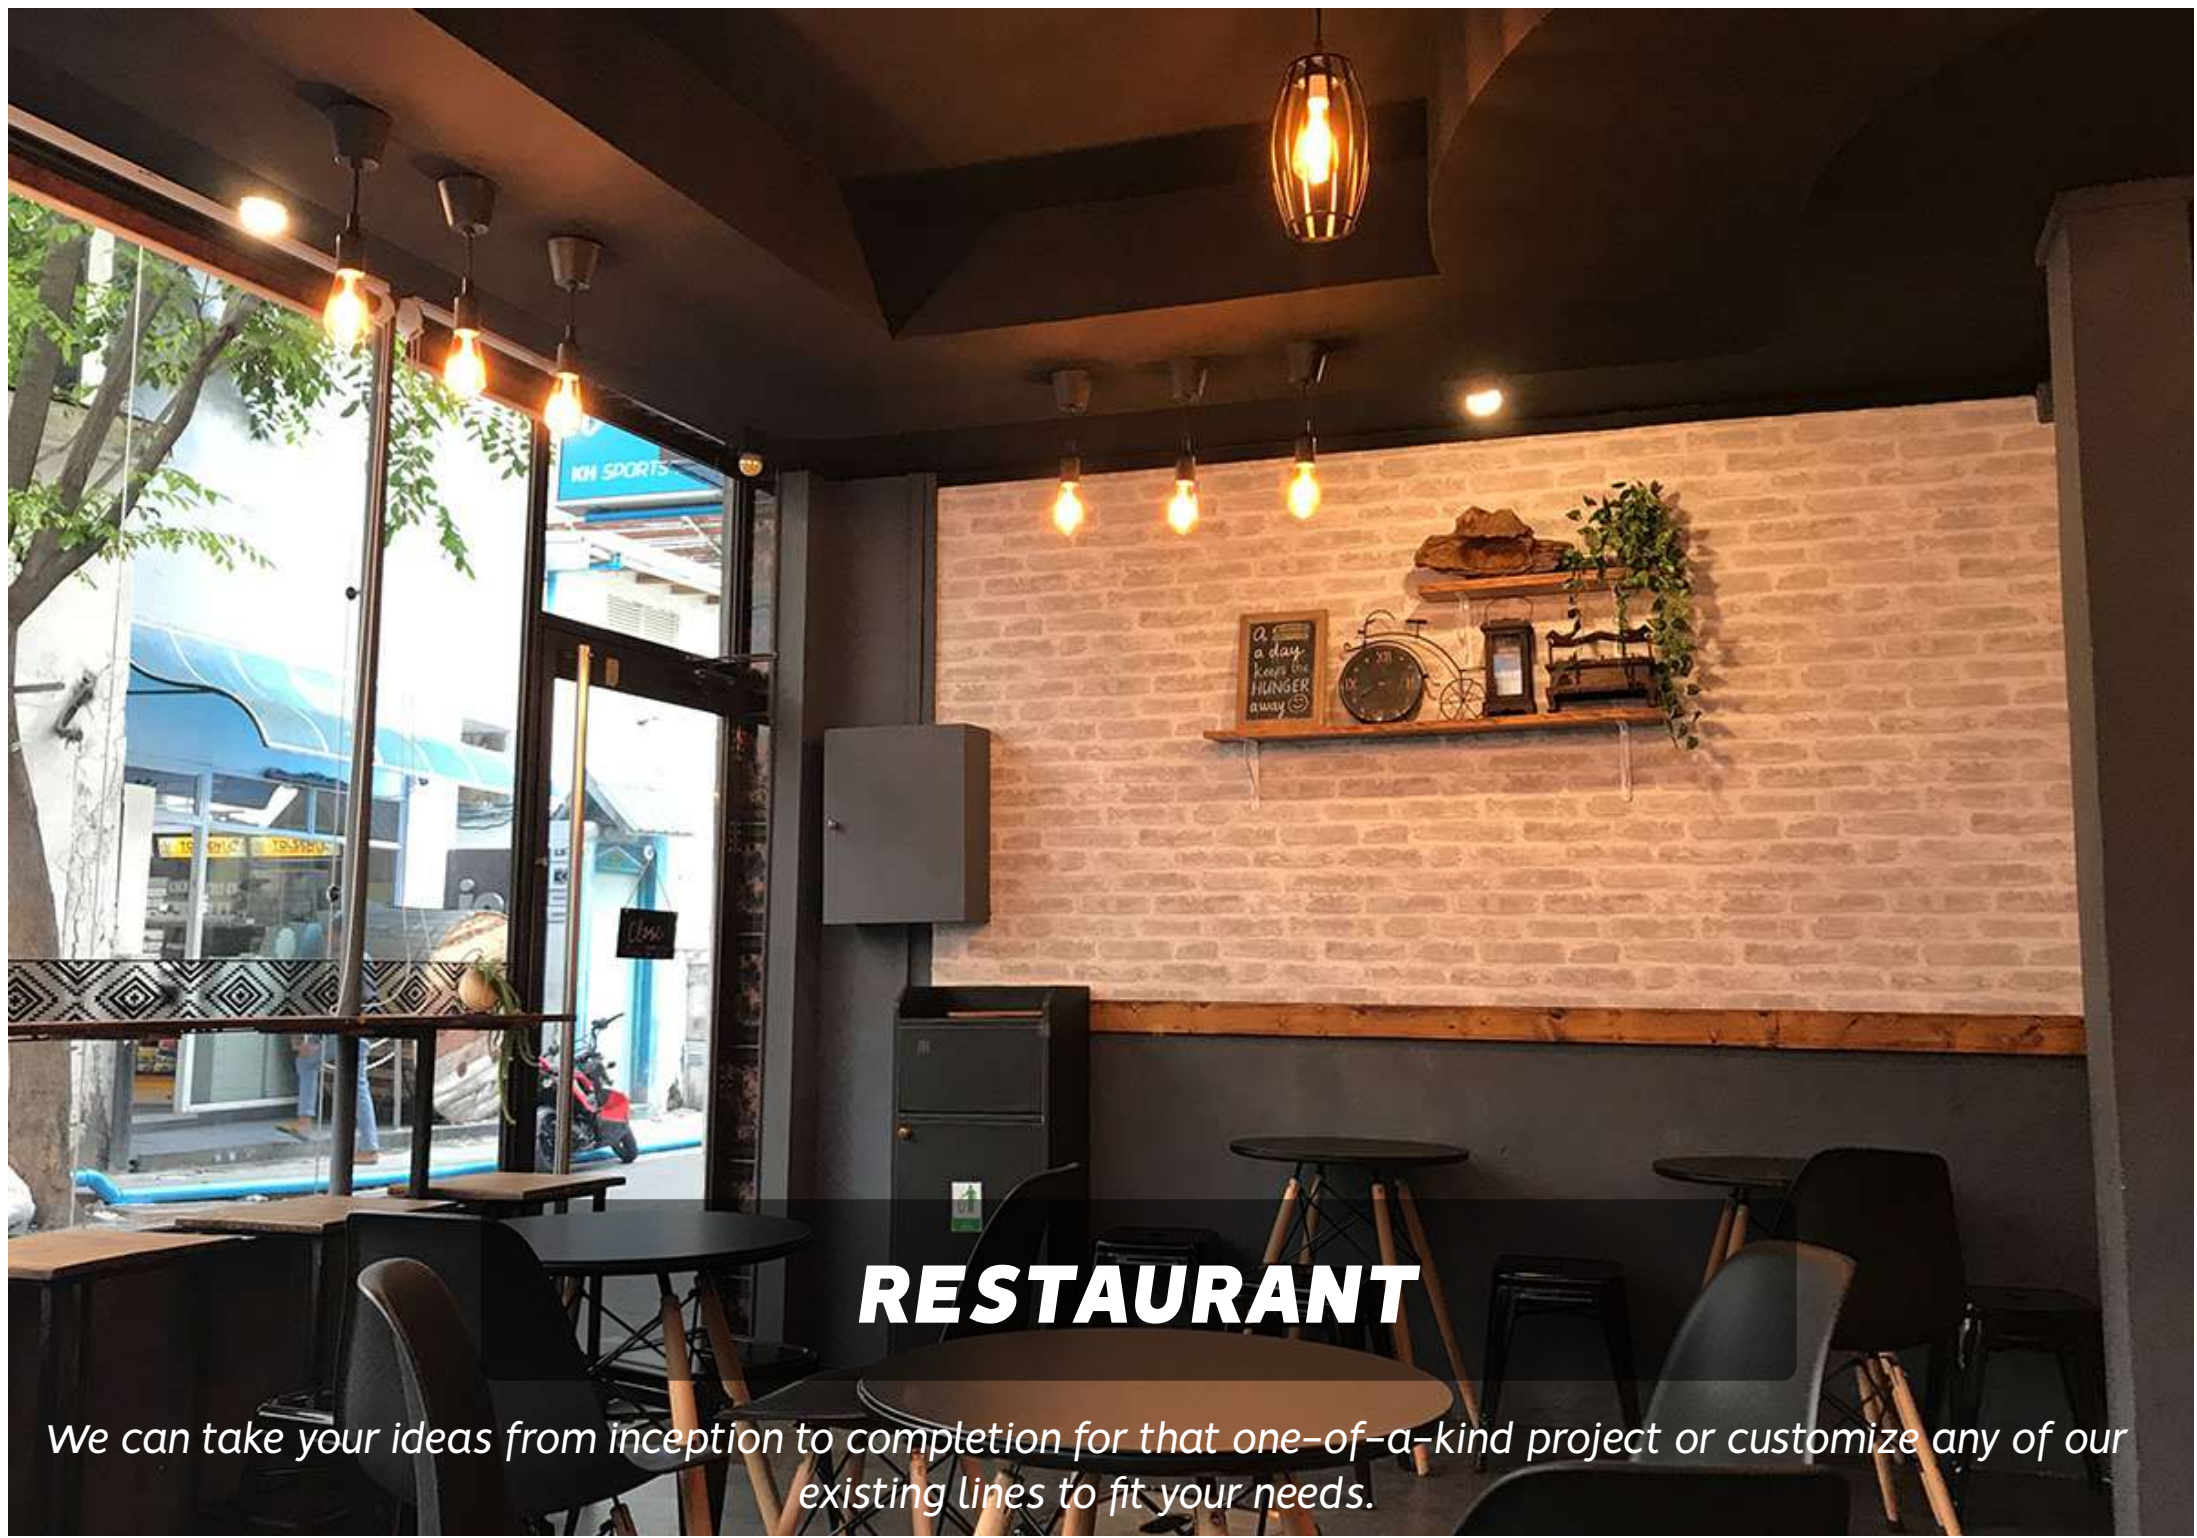

VILLA

Concept Design has an extensive range of both classic and contemporary furniture.

A modern, open-plan office space with large windows, wooden desks, and potted plants. The office is bright and airy, with a high ceiling and exposed wooden beams. The desks are made of light-colored wood and are arranged in a way that allows for easy collaboration. There are several large potted plants, including a prominent one in the foreground on the right. The lighting is a mix of natural light from the windows and modern pendant lights. The overall aesthetic is clean, functional, and inspiring.

A photograph of a modern clothing boutique. The interior is characterized by a prominent red metal frame that supports clothing racks and shelving units. On the left, several racks are filled with various styles of clothing, including hoodies and t-shirts. In the center, a group of people is walking through the store, and a display table holds shoes. The background features a large, lush green wall of plants. The lighting is a mix of ambient and focused, highlighting the merchandise and the architectural details.

SHOPS & BOUTIQUES

All dimensions, finishes, weave styles, fabric and patterns, can be specifically selected to suit your individual needs.
